

## EDUCATION PARTNERS

### Official Educational Partner – Irish Management Institute

The Irish Management Institute (IMI) offers Postgraduate Diplomas, Master's Degrees, executive education programs and short courses in Business and Management. The majority of the degrees offered by the IMI are accredited by UCC.

The IMI's support of Rugby Players Ireland allows past players to continue their education and build their corporate network.

### Official Educational Partner – Setanta College

Setanta College is a distance learning college, with a focus on sports courses. It offers internationally accredited undergraduate qualifications, ranging from Higher Certificate to Master's degree. The college is primarily web-based, but also offers campus-based courses in conjunction with LIT and University of South Wales in Wales.

Setanta College works closely with Rugby Players Ireland's members to ensure they can continue their education while playing at a top level.
